

GLOW Maths Hub: Secondary Sustaining TfM Offer 2023-24

Offer 1: Mathematical Thinking

Four meetings across the year (Autumn Term 1, Autumn Term 2, Spring Term 2, Summer Term 2) to explore and embed this big Idea for teaching for mastery. A strong focus on practical strategies to support teachers in developing Mathematical Thinking across KS3/4 and support students to successfully answer GCSE AO2 and AO3 type questions.

Target Audience: All teacher of maths

Offer 2: Coherence

Four meetings across the year (Autumn Term 1, Autumn Term 2, Spring Term 2, Summer Term 2) to explore and embed this big Idea for teaching for mastery. Participants will co-construct coherent learning journeys for selected areas of the curriculum through Year 7 to Year 11. GCSE exam analysis will be used to identify key areas of the curriculum that students find challenging.

Target Audience: All teacher of maths

Offer 3: Maths and Science

A focus on practical strategies to support teachers from Maths and Science Departments to work together.

Target Audience: At least one teacher from the Maths and Science Departments per school

Offer 4: Leading Mastery

Three online termly network meetings (Autumn Term 2, Spring Term 2, Summer Term 2) to share successes and discuss ways to scale up teaching for mastery across a department.

Target Audience: Heads of Mathematics, Key Stage co-ordinators

Offer 5: Refreshing/Relaunch Teaching for Mastery

An opportunity for Maths Subject Leaders to work one-one with a Teaching for Mastery Specialist to refresh/relaunch Teaching for Mastery in their Department. The option of the Teaching for Mastery Specialist running a Department meeting focused on all / some of the big ideas is available.

Target Audience: Heads of Mathematics / Departments

Offer 6: Collaborative Planning

Three online collaborative planning sessions focused on different strands of the national curriculum. Teachers/Departments will have the opportunity to co-plan a sequence of lessons and design tasks to secure and deepen understanding with colleagues from other schools.

Target Audience: All teachers / Departments

Further information:

Schools sign up for one of the six offers in the first instance but are eligible to sign up for other offers depending on your Teaching for Mastery priorities and capacity for 2022/23.

All schools that sign up for at least one offer will be eligible to also attend:

GLOW Live

Three opportunities across the year to observe a Teaching for Mastery lesson live (with real pupils!) including pre and post lesson discussions

Target Audience: All teachers / Departments

To sign up, please [click here](#) to share your details.
