

GLOW Maths Hub: Secondary Teaching for Mastery

**Sustaining Catalogue:
GLOW Live Events
Leading, Planning & Expertise
Workshops**

Sustaining TfM Offer

Option 1: Leading for Mastery

Three online termly network meetings (Autumn Term 2, Spring Term 2, Summer Term 2) to share successes and discuss ways to scale up teaching for mastery across a department.

Target Audience: Heads of Mathematics, Key Stage co-ordinators and SLT line managers

Option 2: GLOW Live

Three opportunities across the year to observe a Teaching for Mastery lesson live (with real pupils!) including pre and post lesson discussions

Target Audience: All teachers / Departments

Option 3: Strengthening Subject Expertise: The use of representations

Three sessions across the year focusing on the big pedagogical idea of 'representation and structure'

1 - Algebra Tiles: There will be two face-to-face meetings - one in Gloucestershire and one in Worcestershire

2 - Double number line/Ratio tables: This will be one online meeting

3 - Double sided counters: There will be two face-to-face meetings - one in Gloucestershire and one in Worcestershire

Target Audience: All teachers / Departments

Option 4: Collaborative Planning

Three online collaborative planning sessions focused on different strands of the national curriculum. Teachers/Departments will have the opportunity to co-plan a sequence of lessons and design tasks to secure and deepen understanding with colleagues from other schools.

Target Audience: All teachers / Departments

Schools can sign up for 1, 2, 3 or all 4 options depending on your Teaching for Mastery priorities for 2022/23.

Events overview:

Please click on the hyperlink to book a place at the event – please add this to your diary and attend unless informed by GLOW Maths Hub that the event details have been changed.
